

Dear HCC Parents,

Our core value for the month of September is PERSIST. The definition of persist is "to continue firmly in a course of action in spite of difficulty, opposition or failure." Throughout this month, teachers and students will be looking for opportunities to see a challenge and then stick with it to improve. Growth mindset tells us that we can continue to learn and grow throughout our lives. We believe that all things are possible through Christ.

**Thank you, Scecina!** Scecina Memorial High School, our east deanery high school, brought six students (including some HCC graduates) to our school this week to meet with the 8th graders. Our 8th graders learned about the admissions process, high school life (sports, clubs, homework, etc) and how to be prepared for success in high school. All the 8th graders received a folder of materials useful for applying to high school. Please know that we at HCC are ready and able to help you plan for high school admissions.

**Congratulations, Cynthia Dorantes (8th grade)!** Cynthia earned an ice cream party for success on her Scholar Card. She got to invite four friends who also are showing great behavior and respect. Her guests were Clara Herrera (7th grade), Nevaeha Jewell (7th grade), Nitzayeline Dominguez-Disney (8th grade) and Natasha Hernandez (8th grade).

**Congratulations, 5th Grade:** 5th grade earned a Pajama Party today by having 35 positive Scholar Cards! Each student contributed to the count of 35. Great job, 5th graders being respectful and on task!

**Tonight: CYO Night at Scecina Football!** HCC students can watch the Scecina Crusaders football tonight at Manuel High School **FREE**. Just tell the gate attendant you are a Holy Cross student.

Have a great weekend!
